WITNESSETH THAT,

WHEREAS, the Grantee has an interest in the maintenance, protection, preservation, restoration, stabilization and adaptive use of buildings, structures, objects, districts, areas and sites significant to the history, architecture, archaeology or culture of the State of Connecticut, its municipalities or the nation, and in particular the Grantee has an interest in the maintenance, protection, preservation, restoration, stabilization and adaptive use of the site and improvements thereon (hereinafter referred to cumulatively as the “Property”) which are described in Exhibits A and B hereof, together with any further exhibits to which Exhibit B may refer, attached thereto and made a part hereof, which site and improvements are hereby declared to be significant in the history, architecture, archaeology or culture of the State of Connecticut, its municipalities or the nation; and

WHEREAS, the Grantee wishes to protect and further such interest by acquiring legally enforceable rights, running with the land, to ensure that the Grantor and its successors in title to the Property use and maintain said Property in a way which will advance and further such interest; and

WHEREAS, the Grantor likewise has an interest in the maintenance, protection, preservation, restoration, stabilization and adaptive use of the Property, which the Grantor acknowledges to be significant to the history, architecture, archaeology or culture of the State of Connecticut, its municipalities or the nation; and

WHEREAS, the Grantor has represented itself as the owner in fee simple of the Property subject only to the encumbrances recited in Exhibit A hereof; and

WHEREAS, the Grantor wishes to impose certain limitations, restrictions, obligations and duties upon itself as the owner of the Property and on the successors to its right, title or interest thereon, with respect to maintenance, protection, preservation, restoration, stabilization and adaptive use of said Property in order to protect the historical, architectural, archaeological and cultural qualities of the Property; and

WHEREAS, the grant of easements in gross from the Grantor, its heirs, successors and assigns to the Grantee, and the declaration of covenants and preservation restrictions by the Grantor on behalf of itself, its heirs, successors and assigns in favor of the Grantee, its successors and assigns, will assist, advance and protect the interests recited above; and

NOW, THEREFORE, the Grantor, declaring its intention that it, its heirs, successors and assigns be legally bound hereby, in favor of the Grantee, its successors and assigns, and in consideration of Ten Dollars (\$10.00) and other good and valuable considerations, the receipt of which is hereby acknowledged, does hereby give, grant, bargain, sell and confirm to said Grantee, its successor’s and assigns forever, easements in gross and the benefit of covenants, preservation restrictions and obligations (all as more particularly described herein and in Exhibit B hereof, together with any further exhibits to which Exhibit B may refer, attached hereto and made a part hereof) in and to the Property. The easements, covenants, preservation restrictions, and obligations herein described shall constitute binding restrictions, servitudes and obligations upon the Property of the said Grantor and upon the Grantor and its successors in title and interest for the benefit of the Grantee, its successors and assigns; and to that end the Grantor hereby grants and covenants as follows on behalf of itself, its heirs, successors and assigns, jointly and severally, to and for the benefit of the Grantee, its successors and assigns, it being the intent of the Grantor and Grantee that said grants and covenants shall run as a binding servitude with the land:

1. The Grantor agrees to assume and pay the total costs of the continued maintenance, good and sound repair, and administration of the Property, whether now existing or henceforth constructed, so as to preserve and maintain the historical, architectural, archaeological and cultural qualities of the same for a period of [fifteen (15)] years in a manner satisfactory to the Grantee, its successors and assigns. For this purpose, the historical, architectural, archaeological and cultural qualities of the Property shall be deemed to be those qualities described in Exhibits A and B hereof.

In addition, the Grantee may institute suit to enjoin such violation and to require the restoration of the Property site, buildings, structures, or improvements thereon to the condition required by this instrument and the attachments hereto. Should the Grantee resort to any of the remedies set forth in this paragraph, it may recover from the legally responsible parties all costs and expenses incurred in connection with such remedies including, but not limited to, court costs and reasonable attorney's fees.

6. The Grantee may assign the benefit of the easements, covenants, restrictions, obligations and duties set forth in this instrument to another governmental body or to any charitable corporation or trust among the purposes of which is the maintenance and preservation of buildings, structures and sites significant in the history, architecture, archaeology or culture of the State of Connecticut, its municipalities or the nation, and such assignee may act under this instrument in the same way that the Grantee would have acted, and such assignee shall have a like power of assignment.

The Grantor shall publish notices, giving dates and times when the Property will be open to the public, in newspapers of general circulation in the

community or area in which the Property is located. Documentation of such notices will be furnished annually to the State Historic Preservation Officer during the term of this instrument. No charges shall be made for the privilege of such viewing except to the extent that such charges have been approved in advance and in writing by the duly authorized representative or representatives of the Grantee. The procedure for submitting and responding to any request to the Grantee or its successors or assigns for permission to make such charges (which request shall include a proposed schedule of such charges) shall be the same as the procedure set in Section 2 of this instrument.

9. The Grantor, its heirs, successors and assigns, shall maintain for the Property such public liability and fire and extended coverage insurance, and flood insurance if the same is available, as shall, from time to time, be required by the Grantee, its successors or assigns, and shall provide them with satisfactory evidence of such insurance. It is contemplated by the parties hereto that the proceeds of such fire and extended coverage and flood insurance shall be used to repair and restore the Property site, buildings, structures and improvements should they be damaged or destroyed by any peril which the Grantor, its successors, heirs and assigns are required to insure against or which they have insured against. To the extent that the Property is destroyed or damaged by any casualty which the Grantor or its heirs, successors or assigns are not required to insure against and have not insured against, the Grantee, its successors and assigns shall have none of the remedies set forth out in Section 5 of this instrument for failure to repair such damages. The Grantor, its heirs, successors and assigns shall also maintain sufficient liability insurance to render the Grantee, its successors and assigns, harmless in any action arising from the acquisition, restoration, operation, maintenance, alteration or demolition of the Property or any portion of the Property, and shall provide them with satisfactory evidence of said insurance.

10. The Grantor warrants and represents that it is the owner in fee simple of the Property and all appurtenances thereto, and no other person or entity has any interest therein, except as set forth in Exhibit A hereof.

11. The Grantor shall comply with Title VI of the Civil Rights Act of 1964 [42 USC 2000(d)] and Section 504 of the Rehabilitation Act of 1973 [29 USC Section 794]. These laws prohibit discrimination on the basis of race, religion, national origin, or handicap. In implementing public access, reasonable accommodation to qualified handicapped persons shall be made in consultation with the Grantee. The Grantor, its heirs, successors and assigns agree that discrimination on the basis of race, color, national origin or disability will not occur in implementing public access provisions in accordance with 43 CFR 17.260.

12. The Grantor shall insert the provisions of this instrument into any subsequent deed or instrument of conveyance whereby it transfers title to or any interest in the Property or any portion of the Property.

13. Wherever the context of this instrument would reasonably be deemed to so require, any gender shall include any other gender, the plural shall include the singular and the singular shall include the plural.

14. The rights, remedies, privileges, duties and obligations set forth in this instrument shall inure to the benefit of, and be binding upon, as the case may be, the heirs, successors and assigns of the Grantor and Grantee, and the duties set forth herein shall run with the land.

15. The easements, covenants and restrictions set forth herein shall terminate [fifteen (15)] years from the date of this instrument, but such termination shall not affect rights accrued under this instrument prior to such termination.

16. The parties deem this instrument to have been made in the City of Hartford, State of Connecticut. Both parties agree that it is fair and reasonable for the validity and construction of the instrument to be, and it shall be, governed by the laws and court decisions of the State of Connecticut, without giving effect to its principles of conflicts of laws. To the extent that any immunities provided by Federal law or the laws of the State of Connecticut do not bar an action against the Grantee, and to the extent that these courts are courts of competent jurisdiction, for the purpose of venue, the complaint shall be made returnable to the Judicial District of Hartford only or shall be brought in the United States District Court for the District of Connecticut only, and shall not be transferred to any other court, provided, however, that nothing here constitutes a waiver or compromise of the sovereign immunity of the State of Connecticut. The Grantor waives any objection which it may now have or will have to the laying of venue of any claims in any forum and further irrevocably submits to such jurisdiction in any suit, action or proceeding.

17. The parties acknowledge and agree that nothing in this instrument shall be construed as a modification, compromise or waiver by the Grantee of any rights or defenses of any immunities provided by Federal law or the laws of the State of Connecticut to the Grantee or any of its officers and employees, which they may have had, now have or will have with respect to all matters arising out of the instrument. To the extent that this section conflicts with any other section, this section shall govern.

18. This instrument shall always be read and interpreted in accordance with the latest applicable wording and requirements of the Enactments. Unless otherwise provided by Enactments, the Grantor is not relieved of its obligation to perform under this instrument if it chooses to contest the applicability of the Enactments or the Grantee's authority to require compliance with the Enactments.

Meskill, promulgated June 16, 1971, concerning labor employment practices, Executive Order No. Seventeen of Governor Thomas J. Meskill, promulgated February 15, 1973, concerning the listing of employment openings and Executive Order No. Sixteen of Governor John G. Rowland promulgated August 4, 1999, concerning violence in the workplace, all of which are incorporated into and are made a part of this instrument as if they had been fully set forth in it.

Malloy promulgated December 13, 2017 concerning the Policy for the Management of State Information Technology Projects, as issued by the Office of Policy and Management, Policy ID IT-SDLC-17-04. [SAMPLE.: The following four paragraphs must have your property's information in place of the sample.]

Shortly after Cedar Hill Cemetery was established in 1864, Oswin and his two brothers, Leonard and John, purchased a large lot in Section 1. In 1873, just two years before Oswin died, the brothers erected what is known as the OSWIN WELLES MONUMENT, a bronze, life-size, female sculpture atop their granite monument. The sculpture was created and signed by noted 19th century sculptor Carl Conrads. The monument was restored in its entirety to preserve its historic integrity.

Attached hereto and made a part hereof are two photographs of the exterior showing the present appearance of the OSWIN WELLES MONUMENT.

The basic exterior dimensions of the structure were not altered. The exterior of the sculpture was restored and maintained as closely as possible to its original appearance. The intent was to preserve the sculpture and monument by removing harmful deposits, repairing cracks, and eliminating the streaks that had disfigured this historic bronze monument. All work was completed with appreciation within the framework of historical accuracy.

The Grantors herein will preserve and maintain the structure as described in good condition during the life of this Preservation Restriction.
